“ I have known Alan for many many years through U-Haul -in fact even after he left U-Haul, we still kept in touch, reminiscing about some of the crazy customers that he and his daddy Mac encountered from time to time.. I am shocked and saddened to hear of his passing. I am praying for all of Alan's loved ones that are left behind seeking peace and strength from the Lord. I will keep all of you in my thoughts and prayers.

“ Dearest Al,

There is so much I want to say yet words sometimes get in the way. I pray with all my heart that you and your Mom and sister and families can find comfort in knowing and believing that Mr. Alan is in Heaven with his beloved parents and grand parents. I wish I had a simple "recipe" or instruction manual to offer that guarantees that your pain and feeling of loss will feel better in the near future. I hope you all can feel all the love that your friends and family are wanting to shower you in. I hope you know how very important YOU ARE to me and OUR Family. I love you very much and wish I could be able to give you a HUGE HUG! Especially since you are such a "touchy, feely GUY!" ( humor aimed to insight a laugh? ) Love your Yankee, fellow Godfather movie lover, Ma-in-law!! Kathy

“ Anne and family, my deepest sorrows on Alan's passing. I loved him as a brother. I met him on a Sunday morning after washing and waxing a red Ford Fairlane 500 at his Dad's Texaco on 441. It was presented to Alan when he came to work later that morning. We were instant friends for the next 50 years. He is with our Lord, still serving His glory.

Beverly and I are praying for you all and plan to see you Wednesday.

Alan Loved you, his children and grandchildren. My Life was so much Richer with him in it and I am heart broken, but, "Boy Friend" Is Not Lost to us he is In Heaven. We will see him again.
