“ Dixie was able to come to a class dinner for her class of 1955 at Morven High School not long ago, held at a restaurant near Adel. It was good to see her as most of us in the class had lost contact. She seemed to enjoy herself with her sister Diana, whom we remembered well, and her husband Bill. News of her death is saddening.

“ I did not get to spend as much time with Aunt Dixie as I would like to have. I was fortunate enough to have visited her at her home a little over a year ago. I will always remember how pretty she was. She always had that "Pizzazz" too! When she walked into a room things were always brighter. I will miss you Aunt Dixie. I will forever love you. “ Longino Family: I am so sorry to hear of Dixie's passing. Even though Dixie and I were first (Weger) cousins we never met. As we lived in different parts of the country our paths never happened to cross. Even so, hearing about her through the years I felt as if we had met. She sounded like a wonderful person and I am sure she will be missed so much. Prayers to all of you. Kay Crews Grenda

“ Christian sympathy is expressed to Billy, Mike, Mitch, Candace and families regarding the recent death of Dixie. We had the honor of knowing her for around 40 years with shared parental support of our children in church youth groups, and in band and theater. Such memories of a positive spirit still shine for us. God be with each of you. The Mueller family.....Dick, Arlene, Phil and Andrea Mueller Newton

“ To all the Longino family, I am so sorry to just hear of Dixie's passing today. Please know I am praying for all of you and asking God to give you an extra measure of strength and comfort to get through today & the coming days. I can hear Dixie's laughter and see her sweet smile. I always enjoyed hearing stories of Dixie when I worked with Billy at the kaolin company.

And, living in Carrington Woods, I always enjoyed taking the boys to your house at Halloween and Dixie would be dressed up and handing out candy.

May she rest in peace and may you take comfort in being assured you will see her again. Until then, may the memories you shared with Dixie get you through the difficult moments. God Bless You & Love to you all,
