“ Harvey and I first met in a very stressful situation in 1975...we were seated next to each other and being "welcomed" to the 47th GSP Trooper School by Sergeant "Big John" Hammock! Scary stuff. Our friendship grew over the following weeks and then many years. He was an excellent trooper and leader and a loyal friend. After we retired, I especially enjoyed our conversations about places we had both visited out west and up north, and those things to see on our bucket-list. Always looked forward to seeing him at conventions and retiree events. Rest assured, Harvey lived this life to the fullest and is now with the Lord. Condolences to Toni and Mark and the family. RIP Harvey.

“ Harvey was an excellent leader and outstanding Trooper. The Patrol was fortunate to have someone of his caliber. I was also lucky enough to have coffee at the Patrol post in Thomaston with his Father when I was a young Trooper. Harvey will always live in the hearts of those who loved him.

“ My thoughts and prayers are with Ms. Holloway, Mark & family at this time of sorrow. I knew SFC Holloway while he was the Post Commander for the State Patrol in Milledgeville. I was a Radio Operator then. While SFC Holloway was short in stature, he was TALL in Faith & Family. I'll always remember the long chats we had at the Post about the Patrol, Church, and just Life in general. Harvey inspired & encouraged me to attend church while on duty, he would even cover for me on the radio while I attended services with my family. When I became a Trooper and then Supervisor, I did the same for other radio operators and Troopers. Harvey was a decent man and a Great example for his son Mark. May he have many blessings in his new journey.

“ I am so saddened to hear Harvey passed away. He fought long & hard. He was a great Patriot & one of the founding members of the Milledgeville Area Patriots. He greatly supported me & the Patriots for the 10 years we were in existence. I will be praying for all of the family. There is no doubt in my mind where Harvey is today. He was a true believer & his life “surely showed it!”
