“ Saddened by the passing of a good man , father , soldier and friend. Richard was Aviation Section Leader at Ft Hood , Texas and I was one of his helicopter pilots. Though I hadn't had contact with him in years there will always be fond memories and respect for this man.

“ Dear Melvis,
I just learned of Richard's passing. I am so sorry for you and your family's loss. Richard was my roommate our 1st year at North Georgia College and I was unable to lead him down any wayward paths. I always looked forward to seeing you both at reunion and am so proud of the many people he has mentored.
We have you all in our prayers

“ Richard Torrance was a great friend to my family and especially to my father LtCol. John R. Grimes. Richard and Melvis made a special trip to Huntsville to visit my father, was present at my father's funeral and presented the flag to us at my mother's funeral. He was a great help to us in the cattle business and a friend to our family. We will miss him greatly.

“ Years ago when a group of us (including Keith Epps and Andy Burgamy) were involved in Motocross for adults and kids I kept hearing the sound of a helicopter, looked up and it was tilted to the side, doors open and you could see an extended arm waving up and down, it was Richard buzzing the Motocross track, pretty darn cool, I'd never experienced anything like that before.

“ Our thoughts and prayers are with you now and in the days ahead. May God provide the peace, comfort, and strength you need as you continue your special and unique journey through life. Blessings to each member of the Torrance family.

“ Col. Torrance was a mentor to me and helped steer the direction of my life. His quiet strength and character were unmatched. Greg and I were friends and created some good memories. Mrs. Torrance always made me feel at home when I visited and I will never forget her kindness. So, it is with a heavy heart that I express my appreciation for one of the “pillars” in my life, Col. Richard M. Torrance. I remember meeting Maj. Torrance as a cadet at GMC and the immediate impact he made in my life. Serving under his command later with 121st Infantry Division further cemented my respect for this great man. To Mrs. Torrance and my friends Greg and Jeff, may the God of all comfort grant you peace and joy as you reflect on Richard’s life and his great legacy. His impact on so many lives will never be forgotten.

“ One of the first men I met in Vietnam was my head Operations Officer, Captain Richard Torrance. During our year together we kept the Comancheros one of the best helicopter units around. I don't have many heroes in my life but Captain T was in my top 3. Melvis and the Torrance family, you are in my thoughts & prayers..

“ George and I send our deepest condolences to Melvis and the family. We knew Richard and Melvis when we were in the military and spent a wonderful short time with them in their home in Georgia. Richard was so very kind to us, always. George was so glad to hear Richard's voice one more time not too long ago on the phone. It was an honor to know him and we are so deeply sorry for your loss. Thinking of you and your family. God Bless.

“ Richard has been a precious, dear friend of mine since I was a little girl. I rode the school bus with him, went to school at Union Point School, was a member of Black Springs Baptist Church where Richard was part of my church family, went to Easter egg hunts around the pasture at his family's "Torrance Farm", welcomed him back to Black Springs Baptist upon his retirement, accepted so much the help he gave our son Mark when it was time for Mark to sell cows, since Richard helped load them and then took them to the sale for him and also told him about a bull that Mark bought because of Richard's advice! I shall always cherish my precious memories of him, his wife Melvis, brothers and sisters, whom I love. May each member of his family & friends be at peace as they share precious memories of our dearly beloved Richard!

“ Colonel Torrance was one of the finest men that I have ever known. He was always willing to share his knowledge and experience with anyone who needed it. He believed that GOD, Family and Country were the three most important things in Life. He believed in Discipline but also in Compassion. He believed in working hard and being Honest. . He was a leader who's record of community service is well documented. He loved Life as much as anybody I have ever encountered. I am a better man from having known him. Rest in Peace Sir. Your Work On Earth Is Done. You Will Be Missed. :)

“ As the Commandant of Cadets I recall his "attention to detail" counselling. He provided real leadership and mentorship to the Corps. He leaves a timeless lasting imprint of hard word and dedication to all. I believe this is his legacy.

“ This strong man of God has taken the final step to now spend eternity in the presence of our Lord. I can say I have known him my entire life as we are first cousins born about 9 months apart. We were close as children and teenagers but like a lot of families we drifted apart physically as we aged and had families of our own. We saw each other at reunions and other get togethers and never lost that bond we formed in our early years. I am proud to say this decorated soldier, family man and generally good person was a member of my family both earthly and as children of God. Rest now you deserve your heavenly peace.

Richard stood in the breach for many years and I count myself honored to call him a Brother-in-Arms and friend. The lights of the "Chiefs' Mess" aboard the Ship of my memory will be dimmed this evening by this Old Sea Dog in honor of a Soldier who is now marching to the cadence of the Celestial Battalion. “ COL (Ret) Torrance was both a personal friend and mentor. He is THE reason I am in the Ga National Guard. His advice, friendship and mentorship have inspired me for more than 30 years. I was just as proud as one of his own sons when I'd call him over the years and tell him of a promotion or new assignment. Regrettably, he was not physically able to attend my promotion ceremony to Brigadier General, but my remarks included the most important advise he ever gave me as a young GMC Jr. College cadet working in the work-study program to pay for school. His words to me changed my life. They were as simple as the man himself..."You need to join the Guard". Thank you sir, like so many I took your sage advice, and am better for it.
