“ My Uncle Ronny was an everyday part of my life for a very long time and I will truly miss him. It is the unexpected loss that makes you wish you had stayed in contact more, not just once or twice a year. Its hard to remember that the people who played such a big roll in your life growing up are not invincible. I really always thought they were when I was little. When I think of my extended family, my Mom and Dad's circle of friends, I have always thought that even if we did not speak often, it is a comfort just to know that they are here in the world with us. That the stories of their life are still being told, the memories are still being relived, and that the history is alive. It is a comfort to know that if I ever need that wisdom that it is here. I am sad to realize that some of that comfort has slipped away. Vicki and Jacob, I am sincerely sorry for you loss. To my family, Aunt Wanda, Crystal, and Brian, I am truly and deeply sorry for your loss.
