“ I found a beautiful wedding album from 1951 . I believe it may have belonged to this lady . It was a Jack and Ruth himebaugh in 1951 . The pictures are beautiful and I just could not leave it. I thought maybe I would try and reach out and see if the family would like it back ? Maybe the son Thomas?

We all loved our Aunt Goofy aka Energizer Bunny. She was so good at any card game and as soon as we taught her the domino game Mexican Train she proceeded to beat us. She was my mom's baby sister and I was her oldest niece. Although we were geographically challenged, and besides visiting her at Lake Sinclair, we did have some fun vacations together, exploring Savannah, Charleston, and a 9 day Celebration of her 90th Birthday in PA and a few days at the Jersey Shore. Will just think of the great memories we shared and glad she died peacefully and without pain.
