“ *I am sorry for your loss.*

Al was my brother in law in the 70s and 80s and was also a great friend of mine.

Al became a big part of my family and I had a chance to work with him, fish and hunt with him, enjoy NASCAR racing, and I can not count the times he came to help me out of a jam.

I got the chance to love and respect Al, I even thought I hated him at times and that was only because he was trying to help me.

I learned to laugh and cry with Al and I always knew he loved me and my family because he proved it everyday by helping somebody who needed a hand up, not a hand out.

Al taught me how to grow a garden before I was old enough to drive a car.....

That will be the memory I hold in my heart, the one of Al handing me a pepper and telling me it was a sweet one and seeing the laughter in his eyes just before I bit into that HOT jalapeno pepper, We shared the best of times and the worst of times after that summer for many years.

Please accept my families condolences on your loss, Matt Tidwell
