

Alan Bender

October 17, 1954 - September 9, 2023

Alan Patrick Bender, 68, passed away on September 9, 2023 in Milledgeville, GA.

Alan was a native of Ohio and grew up in Stow, Ohio. He attended Stow High School and graduated in 1973. After graduation he enlisted in the United States Air Force where he served as a Jet Mechanic. In 1977 he suffered a service connected injury that left him a quadriplegic for the remainder of his life. He handled his injury with dignity, strength and determination and never let it prevent him from enjoying life. Alan never met a stranger and enjoyed entertaining everyone with his many stories. Alan overcame many obstacles and challenges but remained a fighter until the end.

Alan returned to Ohio after his injury, later moved to North Fort Myers, Florida and recently relocated to Milledgeville, Georgia where he had enjoyed a vacation home for many years. Alan was preceded in death by his brother, Paul Bender (Kim) and father, Dale O'Brien Bender.

Alan is survived by his wife, Paula Shuster Bender of Milledgeville, Georgia; Son, Jeffrey Bender (Natasha) of Tennessee; grandchildren, Ashleigh Layne (Eric), Jack Bender, Emma Bender and Natalie Bender all of Ohio; Brothers, John Bender and Gary Bender of Connecticut; and mother; Marilyn Green Bender of Connecticut. He also leaves behind many long-time friends; JC, Dale, Marty, Joe and Russell. They always made time to talk to him and he treasured those friendships.

No Services are planned at this time.

For those who wish memorial contributions may be made to Paralyzed Veterans of America, PO Box 758542, Topeka, KS; PVA.org

“ Friendships are precious. I've known Alan most of my life but we became close friends in high school, at work, and in the Air Force. Alan would pop in out of the blue over these decades with the same boundless appreciation of life. I am honored to call you my Best Friend.

“ I like to think that my husband Paul and Alan are smoking and hanging out on the deck, watching the alligators swim by. We couldn't ask for better neighbors. ❤️

I know they are. When we were still in Florida Alan always watched for the swallowtail kites and swore that was Paul paying a visit to him. So if you see 2 they are together enjoying being reunited again.

“ You've come a long way pilgrim. So many good, funny and hysterical memories of our friendship since we first met at the Cleveland VAMC. so many moons ago. "Twin brothers of different Mothers" is what you called us when we first met. :-) I never did win one game of chess in all of the numerous games we played together over the years. Rest in Peace Alan.
With Love, Joe S.

When Alan and I were in the Cleveland VAMC and Alan got into any mischief he would tell the nurses my name, "Joe Seley" Haha!

Then I had nurses telling me that if I didn't "straighten up and fly right that they were going to give me the boot". :-)

When a nurse finally figured it out she said "Joe you have a twin brother on the other ward that you should go meet sometime".

When I had the chance I went over to Alan's ward and pulled his curtain back and he just looked at me with his big grin and said "Hey we do kind of look alike".

"Do you want to get schooled in a game of chess" ... and the rest is history.

Rest in Peace Alan.

Love you brother.

“ *Five months was not long enough. The impact that you had on me will be etched in my heart forever. I was honored to be able to wake you up 5 days a week and see you smile when I would tell you how lucky you were to have my smiling face be the first thing you saw in the morning. I got ticked when you told me that you called everybody and told them how you couldn't believe that the "worm woman" was now your assistant. On our last day together you introduced me to the nurse as your assistant and friend. Indeed, you were my friend. I wish I had many more mornings to wake you up and sing (or howl, as you called it) You Are My Sunshine; and you yelling for Paula to save you cuz I was crazy. But, my friend, I will never watch CNN again, you gave me enough of that to last me a lifetime. 🤔 thank you for making me feel like I was special. I wish you were still here so we could go outside for "recess" but I know you are at peace and your body is whole. I will always love you Hot Rod.*
