“ Alan was one of those people that didn't seem real. He was so nice and friendly always even when things weren't going right. Back in School Coach Collier called on him to answer an algebra equation he had written on the board. We as a prank woke up Frankie Strickland and told him that coach Collier had called on him. Alan was having trouble and all of a sudden Frankie spoke out the answer "W Square" A couple of us got in trouble but it was worth it. A memory I will never forget. I loved Alan he was a precious person. My God comfort everyone who loved him. God Bless Class of 73##imported-begin##Randy Newton##imported-end##

“ Dear Uncle Alan,

*There are no words but only tears. Only God knows why as we can only wonder why? You always had a smile and a kind word for all. It was always a pleasure to be around you and have a talk with you. We will miss you more than you will ever know but yet deep down we know your free from any pain. Watch for us as we will see you again so make sure your there to open those pearly gates for us.
Love always, David & Annette*

I'M FREE

*Don't grieve for me, for now I'm free.
I'm following the path God laid, you see.
I took His hand when I heard him call.
I turned around and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way,
I've found the peace on a sunny day.
If my parting has left a void,
Then fill it with remembered joys.
A family shared, a laugh, a kiss,
Oh yes, these things, I too, will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief.
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee.
God wanted me now; He set me free.##imported-begin##David &
