“ *Mama, you never said i'm leaving, you never said goodbye, you were gone before I knew it, and only God knows why....Already a million times I needed you, a million tears I have cried....If love alone could have saved you, you never would have died. In life I loved you dearly, In death I love you still, In my heart you hold a place that no one could ever fill...It breaks my heart to lose you, but you didn't go alone, for a big part of me went with you the day that God took you home.....Mama your guiding hand will remain on my shoulder for everI'll miss you every single day that you are gone, until we meet again...I'll love you for every Mama....your loving daughter Margie (Sunny)*
