“ Dear Diane,

I am so sorry about Grandma Alice. She was always so sweet and kind to me and my family. She really did seem like a Grandma to me. I know she will be dearly missed but we both know that she is rejoicing in heaven right now! A place where there is no pain and suffering. I wish I could be there to give you a hug for comfort and solice - but you know I am there in spirt and mind. You have always been like a sister to me. Please take care and know that I love you and have been praying for God to lift you up and lighten your burden of sorrow. Please tell the rest of the family I think of them also.

*Love you very much,

“ God looked around his Garden and found an empty place.
He then looked down upon his earth and saw your loving face.

He put his arms around you and lifted you to rest.
His Garden must be beautiful, he always takes the best.
He knew that you were suffering, he knew you were in pain.
And knew that you would never get well on earth again.
He saw your path was difficult, he closed your tired eyes,
He whispered to you "Peace be Thine" and gave you wings to fly.
When we saw you sleeping so calm and free of pain,
We would not wish you back to earth to suffer once again.
You've left us precious memories, your love will be our guide,
You live on through your children, you're always by our side.
It broke our hearts to lose you, but you did not go alone.
For part of us went with you on the day God called you
