“ I live in Argentina and shared lovely moments with Alina, Frank and Gladys many years ago while living in Milledgeville. They were like family to me and received me at their home and lives with enourmous love. I kept contact with Alina via e mail and Facebook and received with extreme sadness her departure. I´m sure she is now with Gladys. I remember as if it was yesterday all of us going out for icecream in Gladys van. All my love to the family and my prayers for Alina.
