“ 40 plus years ago we met family and all. many many experiences throughout the years and being able to work for this man for 18 years. our friendship has never faltered, he may be gone in the physical sense but the memories are here forever. "pop" was not a diaper boss, he was one that worked with you even in the trenches of life. he was a mentor, friend, a great father to his kids, a wonderful husband to his wife, and also if you knew him well - a very unique prankster. my heart hurts from this loss, but also feels relief he is no longer in pain.

to "ma" (melba), gordy (Gordon), wangodango (wayne), wendy, (funkydude) kevin, shelly, Ashley, garrett, cory, , and all the grandkids, my deepest sympathy and warm felt condolences. I will miss him as well as all of you

“ A true Craftsman. When he came to Milledgeville he quickly became the top cabinet shop in the area. When you met him, you knew him, and his smile and love was real. Proud to have known him and call him a friend. So sad for his family and friends, he will be missed greatly.
