“ My name is Loretta Holman Taylor. Amy, & my daughters Tammy Holman & Twila McGlamory were best friends. Tammy has been trying to find Amy & Kevin for years now. We went last Saturday to visit Jimbo's grave. We figured we would go by where Amy's grandma lived at one time & was hoping to get some info on where Amy, Kevin or Neal or even maybe Brenda lives. That is when we were told the bad news. It is still so hard to believe. Tammy cried so...She was so hoping to find Amy & Kevin. I'm so sorry for all the family. If any of the family see's this...Please call some of us. Kevin, Neal, or Brenda. My number:229-591-1866. Me, Tammy, & Twila all live in Ellaville just north of Americus. We would really love to see ya"ll. all of you if possible. Please call...Kevin, Neal or Brenda! If someone reads this that know them please let them know we are trying to get in touch with them. Thank you!

“ I lit a green candle because you know it is Dylan's favorite color. The holidays have been hard. We love and miss you so very much! but we know you are with God now. Someday we will all be there with you. Brooks kept her promise! Dylan and Alyssa had a nice Christmas. Just wanted you to know. Santa came on a firetruck and Dylan said there really is a Santa. Of course Santa scared Alyssa with the big beard. Love Always, Mawmaw

Paige Mincey - December 15, 2013 at 12:48 PM

Amy was my 1st cousin and we had great childhood memories. We 1st cousins were all the children of the Redd brothers, Felmon, Wayne and Neal. Once my grandfather died and my grandmother became unable, we didn't have those Christmas parties anymore and we all lost touch. And then, like my sister Amanda said, we reconnected on FaceBook. It was wonderful to see Amy and her family, and the woman she had become (she was always the baby of our group)! I feel much sorrow for Donny and her children, as well as Uncle Neal and Aunts Debbie and Brenda. Heaven has our angel now, and I look forward to seeing her again! I love you, Amy.

Paige Mincey - December 15, 2013 at 12:53 PM

Paige, I see you were Amy's 1st cousin. If you would...my daughter Tammy Holman was best friends with Amy & Kevin when we lived at the river back in 1987 when Jimbo died. Could you please get in touch with Kevin & Neal & ask them to call me. Please! Thank you!! 229-591-1866

“ I have great memories of my first cousin Amy when we were younger and at Christmas is when I would see her and her brother Kevin. Our grandmother always had Christmas parties where our uncles and their families would come and we would all have a great time being together. Amy and I have recently reconnected after all of these years and I am so thankful to have had the pleasure of knowing her as the woman of God she has grown into. Not only was she beautiful on the outside but the inside she radiates with God's Love.

Amy you are missed so much. Alyssa is quite the little mischevious little girl we knew she would be and Dylan is still quite the athelete we knew he would be. I know you are looking down on them. Love and miss you more than words can ever say. Just know that as long as there is a breath in my body I will do my best to see that they are took care of, and I will always let them know who you are (a mother that was took too soon from them) but GOD had plans for you and he knows best. I will always try to be sure they love God like you did. LOVE YOU YOUR MOTHER-IN-LAW SHERRY
