“ My sincerest condolences to Alan and family for the loss of this courageous and inspiring young man. These words, from Alan, ring in my head the most "He is a fighter, he is a warrior, and he is the most loving and positive human on this planet. I am lucky to have him as my son and he has taught me to never give up hope." The inspiration he brought to his own father and his pursuit to love and be positive above all else. What could be more precious. The mark he placed on all of the lives he touched will live on... Love and hugs to my cousin and his family.
