“ I was so sorry to hear of Unky's passing. He was truly a wonderful person, someone who gave from his heart expecting nothing in return. “ I met Unky years ago along with his matching white striped camaro and truck, and can say I have never met anyone that was more willing to give to others, who never had a thought to getting in return. If he could give you something, he would find a way to do it. He also enjoyed seeing kids faces light up, never wanting attention, just the joy from his gift to others. Glad to have know him the bit we did.##imported-begin##The Swansons##imported-end##
