“ My heart is with the Braxley family following the loss of their loved one. I was blessed to teach both Rebecca and Melissa when they were students at Morgan County Elementary School in Madison, Ga. Mrs. Braxley was a supportive parent during those years, and I remember her mentioning Andy. Your family will remain in my prayers.

“ Offering sincere condolences to the family. I am so very sorry for your loss. Death was never part of our Heavenly Father’s original purpose for mankind. In fact, in His word the Bible He calls it an enemy (1Cor. 15:26) which He promises in the very near future to do away with (Rev. 21:4,5) At that time tragedies and accidents will be a thing of the past, no one will ever get sick (Isaiah 33:24) and there will be a reuniting, a bringing back to life instead of losing (John 5:28,29) Please allow these words to be of comfort to you and give you hope. (2Cor. 1:3,4)

“ My condolences goes out to the Braxley family, I am so glad Andy was my best friend, it hurt me Tuesday to know that he had passed away, it was like my heart stopped and it was like, what to do now mood. He was a special person to me, he made you laugh, he was very spiritual and a great friend. I remember sitting at the lunch table, and he was the only one I talked to, because we had interest in music, in classes, and so much more. The world might have lost a great person, but he is alive in our hearts, souls, and prayers. We miss you Andy and can't wait to see your family Tomorrow, you are a great man, and God received his angel. R.I.P Andy Braxley. Love you man
