I'm so sorry for your loss, I think I met you once but I knew your sweet daughter. I was married to Daniel for a long time. But she was always the sweetest girl I can remember jumping on the trampoline with all of them at your mama & daddy's house. And she would always just want to be with me & Ms. Debbie said one time that I kinda looked like you was probably why. And I took it as such a compliment & just loved them all. So I truly am so sorry for your loss & please give my condolences to your Mama & Daddy and the rest of the family from me please. ☐ 🥹🥹🥹🥹
