“ *I am very saddened to learn of Anita's passing. She was such a talented florist who always far exceeded my expectations on all floral arrangements she made for me and my family. She knew what I liked and put her special touch mixed in which made the arrangements extra special. Since I live out of town, she would always send me pictures of the flowers inside the church. My thoughts and prayers are with you all. Sincerely, Hope Brooks Owens (Dublin GA)*

Although I never met Anita face to face, I have been using her floral services for almost 10 years. All I had to do was call her, and she fixed beautiful arrangements for my mother's grave and delivered them to the Masonic Cemetery in Irwinton. She even took a picture when she had placed them and sent me the picture. She was always so sweet on the phone. I am so sorry to hear of her passing. My thoughts and prayers are with her family.
