“ I am so sorry for your loss. I've known Ann for a number of years and know that she is now at peace and rest. She attended our church service She i at Green Acres a number of times, and would ask me to take her home. Well, she is home now. All of you are in my thoughts and prayers.

“ Susan, this is Terrie Burris Lingold, my mother & yours were best friends (Betty Adams). I am so very sorry for your loss. It is very amazing, but on the 15th I had a very strong urge to call her(your mother), I have been going through family photos & was wishing I had one of them together, I was gonna get in touch with her to see if she had one. Every so often she would call & check on me. On the 15th, I was thinking about all the yard sales they had gone to & all the other things that they got into. They were like sisters, my momma really loved her (Jo bone). Really sorry I didn't make the call. Praying for you & the family. Hugs
