“ Aunt Ann you will be so missed. I enjoyed spending time with you and I'll forever remember your smile that would light up any room you were in. You were an inspiration to me and one of the strongest and sweetest women I've ever met. It was heartbreaking that I couldn't be there today, due to my surgery and being in a wheelchair, but you will forever live in my heart. Thank you for raising such great men that I have so much respect for. You all have taught me that loyalty and love is endless when it comes to family, and those we consider family. Go rest high on that mountain, you deserve it. We'll see you soon. Give my sweet mama a hug and tell her I love her and I miss her. ❤️❤️

Love You Always,
Misty
