“ To Ms. Ann's family,
Ms. Ann was a unique lady. She was a straight shotter who never mised words. You always knew where you stood with her. She truly loved her family and friends and gave freely of her time and energy to to others. She will be missed by all who knew her. I admired her strength and dignity. We could all take a lesson from her life. I pray for God's comfort and peace for all of you.

“ Ms, Ann told me she was ill. However, I was still very sadden to hear of her passing. She certainly made my job easier. She volunteered at Creekside and did such a great job, that some people thought she was on staff. She even received a plaque from the Board of Education for her wonderful years of service. She is loved and missed by many teachers and students. She certainly enriched my life. She shared recipes, pictures of her early years of marriage, and stories of her youth. She will be greatly missed.

Love,
Mrs. Tucker and Family

“ Ann and I were friends since 1956 when our first child was born, we used to live across the street from each other back in New York, we had many a good time together, growing up our children. I lost touch with her for a few years when she moved, but then I found her again, only to lose her to god. I will miss her. My thoughts and prayers are with you Laura, and Bill.

“ Mrs. Ann will be missed by many! Mrs. Ann's love for life touched everyone she came in contact with. She always had a story to share including those of all her travels. I will always remember her for "calling it as she saw it", you never had to wonder what she thought about things because she would tell you! Peace be with her family during this time!
