“ Dear Rudy and family,

I was so saddened to learn of your Mother's death. I never did get over to Milledgeville to see her flower gardens. That is definitely one of my MO's (missed opportunities) that I deeply regret. Louise always brought home beautiful cut flowers from her home in the spring time and we had many lovely bouquets at our church functions from Anna's garden.##imported-begin##Carol Ingrando##imported-end##

“ Dear Ralph and Rudy,

We are so sorry to hear of "Ms." Anna's passing. When I was small, you all lived right down the hill from us. Your dad and mine would ride back and forth to J.P. Steven's to work together. Your mom and mine were such good friends. After your mom moved to the lake, we sort of lost touch until I started seeing her at the bank where I worked and we got reacquainted. She was such a sweet, dear lady. We will all miss her.

With love and sympathy,

Merel Harrison & Lyndall H. Muschell
