“ Ann, was an important part of the Baldwin High class of 1970. She was faithful in helping plan our reunions and attend the events. She will be missed by her classmates.

For me Ann's passing goes deeper than just Baldwin. She and I had been in the same elementary school. I started with Ann in the second grade at West End Elementary.

“ Family, you are in my prayers. May God comfort you and give you peace. I am shocked and saddened by Anne's passing. She and I went to high school and graduated together. We reconnected years later through Facebook. She was a sweet, thoughtful and caring person who loved her family and her friends. She will be greatly missed. God bless.

“ My heart is broken. I first met Anne at Men's State Prison in 1984. She was such a sweet, happy person and she was full of tidbits and helpful hints ranging from cutting up old paper for note pads to how to save money with laundry detergent! You will be missed, Anne. Prayers to her family for comfort and strength.

“ Anne was the main stay of our local Project Linus since our beginning in 2000. It was not unusual for her to bring in 50 or more blankets each month. Her love and generosity of spirit will live on in the children who have the comfort of a beautiful blanket made by Anne. I love you Anne. My thoughts and love to the family.
