“ *So sad to learn of Anne's death. Can't imagine how terrible it is to die alone. She was a dedicated employee as a 4H program assistant after her career as teacher of adults. She was a third of our ya ya sisterhood. We had many good times & lots of laughs. May she rest in peace.*

“ *Sobering to hear of Anne's death. She, the former 4-H agent in Baldwin County, Jeanie (Godbee) Abney, and myself worked at the County Extension Service for years together. That job with this two ladies was the BEST one I ever had! We formed fast friendships there and in REAL life after retirement for us all. We formed the Ya-Ya Sisterhood and shared so many occasions together. This will make our Ya-Ya light a little dimmer. May God place you gently in your new eternal home. I'll see you there!*

“ *My sympathy to the Collier Family. My sister, Josephine Smith, was in the Class of '62 in Hogansville (though she graduated in Fayette County). May our Heavenly Father hold you through this time. --
