“ Robin,
When I was only 13, started working at the Plow Boy, I opened a checking account at Merchant and Farmer's Bank. From that day on, until your Mom's retirement, it was a pleasure to see her every week. She was kind, did her job, enjoyed the one-on-one with each customer. She was always laughing and I never doubted where you got your sense of humor.

I doesn't matter the age when we lose a parent. The memories are wonderful, the time cherished but the hole in our heart remains. I am sorry she is gone. Just know you and your family are in our prayers.

“ *Dear Robin and Family, Ann was my high school friend. I visualize her even now as that cute little teenager jumping out on the basketball court as we led cheers for the Midway Rebels victory. Always such a sweet person, she was a beautiful example to us all. Many miles and years have separated us as I have long lived in Kentucky, but I know she must have been a wonderful mother and grandmother because she always spoke with pride of her family. You are much in my thoughts and prayers that God will comfort you with His strength, wisdom, and peace.*
