“ *Nettie, Rosie's older sister. I remember so well sitting on your front stoop watching all the cars and people go by. and of course meeting Bordy and riding around with him. I also ran into Nette when I worked in Hauppauge . She had her son Nashon with her and it was so great to see her again. Rest in Peace sweet lady.*

“ Till this day I still cant believe that you arent here any more. Each day I wake up I keep thinking to myself there is no way your gone. As I sat right beside you as you took your last breathe I'm content with the fact that I was able to bring you your great- grand children for you to see before you left us. You were so alert and so happy to see us. The smile that came across your face was priceless. I'm truely thankful to have had a Grandmother like you. I know for a fact that you are sitting in heaven watching over all of us. Your love for God never stopped and you were a witness even in your final days on this earth. Even in your sickest hours you always kept a positive attitude when you were asked how you were and we all know your infamous answer was "I'm Blessed and Highly Favored". I will forever miss you yet I know you are right where your suppose to be which is in heaven with our Lord and Savior. I Love you NANA and yes I am the reason why you are NANA, my NANA, and as your only Grand child I will forever keep your memories in my heart. Love you forever and ever, Love Krystal

“ To the family of Antoinette Tribuzio because of my love for people I am motivated to use Gods word to comfort other. You can be sure that God will be with you during this time, his word says at Psalm 55:22 "he himself will sustain you." May you also find hope in the scriptures at John 5:28,29 which speaks of a resurrection of our loved ones. May Jehovah God be with you during these times.
Sincerely
Daniel Lathan

“ No words can even come close to expressing the true love I have for my mother. I am so glad to have been right at her side when she passed stroking her head, hand and chest to let her know it was ok to move on & to reassure her that we (her kids) will be ok, she taught us well.

She was a joy always, sometimes a pain in the butt, but no matter what my love for her overshadowed anything. I would do anything for her. I am going to miss her like no other person, I don't even know what else to say at the moment because her passing is so fresh in my mind that it almost doesn't seem real. You know sometimes i would question her most favorite saying which is "I'm Blessed and Highly favored", but I always knew deep down inside that she truly believed it & it was obviously true. It pleases my heart to know that she was truly a child of God and was in a much better place than here on earth.

Now in Heaven, she can have all the fruit and not worry. Have some of the finest sushi & just relax and vacation because she has earned it 100 fold.

She was the Kindest woman I have ever known and just wanted everyone to be happy.

She is truly one of a kind & I hope I meet her standards as her youngest son. I hope I live to be the man she always wanted. My eldest late brother has proven to be a great man and now the two of them are united once again,

I LOVE YOU Ma & I am so pleased you are no longer struggling & suffering.

xoxoxoxo

I'll see you when the Lord calls for me.
