“ It is with such sadness that I just learned of Archie's passing. He and I worked together in the late 80's and early 90's with sheriff offices in Florida. He was such a great guy. I left the area and so did he and we lost touch until his wife passed away and we only communicated a couple of times by computer at that time. I regret not being able to see or speak to him over the past twenty years as I miss our conversations and the stories he would share. He was a legend in our law enforcement community due to his background and he was devoted to keeping his community safe. Rest in peace my friend and may God greet you with His love and grace.

“ Archie and Margaret and their children were stationed in Ft. Bragg, North Carolina and Panama, Canal Zone with my husband Lloyd and me. We spent weekends fishing and had a bowling team. They were our second family and although I will miss them I will always have the fondest memories of them. May they rest in peace together. Donna Critzburg Pitts
