I am so very sorry the learn of Ashlee's passing. Tho I did not know her personally, I remember many times of seeing her out and about. She always had the most gorgeous smile and always spoke. She had a way of making you feel warm and loved. Thoughts and prayers are with all

“ *Ashlee was more than just a friend, she and her children are family to us. She was a Christian young lady , who loved the Lord ,her kids , and her family. She was a hard worker , always providing for others and her family.*

She always put herself last. I am going to miss her but I know where she is. May the memories of a life well lived bring all of us comfort in the days ahead.
