“ Dear family and friends,  
Audrey was a classmate of mine at Grady nursing school. I had not seen her until recently at a class reunion. She had a wonderful sense of humor. I will always remember her for that.  
I know she will be missed so much by her family and friends.

“ Sara, Bobby, And Family, We are so sorry for your Loss, Your Mom was a wonderful & Talented lady, we had a lot of good times through the years camping. She knew how to put your Daddy in his place, and you always knew where you stood with her. She was a sport. We had some great laughs. I bet we could write a book on all our travels together. We have missed your Daddy, but we know that they are both together now, and they will be watching over all of us. If you ever need anything please give us a call.. “ I can't believe she's gone!  
Just saw her two weeks ago and she looked good! We worked  
together for many years,first at Baldwin County Hospital, then at  
CSH.  
We had many laughs together and suffered through some terrible  
supervisors together! I think Audrey was of the opinion, "If you're  
gonna lead, lead; if not, get out of the way, I'm comin' through!" LOL  
Inside that, sometimes, tough exterior was a very warm, kind, loving  
and compassionate person who would do anything for you!  
I'm gonna miss her! My love and prayers to her family!
