“ We are all very sad at the loss of Barbara. It has been many, many years ago but our families would all get together, my Mom as well when she was alive. We would have a great times during holidays and all and Barbara was such a pleasant, down to earth, kind of person. She was easy to talk to and just a lovely person. There are really many things that can be said because she was truly a beautiful person to have in your life. Barbara, we love you and we will miss you till the end of time. Give my love to those in heaven. 😊
