“ *I went to high school with Barbara Jean and she was my neighbor for a couple of years after I married. She married Louie who was my husband (Ray Hutto's) 1st cousin so then became family. We moved away from Milledgeville in 1968 and lost contact with them but kept up with them through Ray's mother Mamie Spires Hutto. They are good people and I wish we had spent more time with them. Love to all of you and may God have mercy on you and give you strength to go through this loss. I've been praying for the family.*

“ *BJ was a special lady. While visiting her at the hospital one day she commented about making pecan pies and chocolate candy. So I asked her if she could make banana pudding and she told me real quick like. Nope, , "I don't eat bananas and I don't want any." We laughed. Later she made my wife some chocolate candy, but I never did get a pie. ???? All kidding aside She was a sweet lady and we certainly will miss her. Praise the Lord she is in a much better place now, and we will always cherish her memories.*

“ BJ was a very sweet lady. She had a lot of love to share. Always pleasant and kind to others. She was a real delight just to be around. She will truly be missed. We have only known her a couple of years but she had a very special place in our heart. Heartland Baptist Church will not be the same without her smiling face. Praying for the family.
