“ I was truly shocked to learn that Barry passed away. It saddens me to know how we take for granted friendships and don't keep in touch with those we care about when one moves away. However, it makes me feel better to know that Barry was surrounded by such a great group of friends during his time of need. He was the most down to earth and genuine person I ever knew. I am so sorry for his suffering - but I know he is now in a better place. In heaven, everything is fine. I will always carry the many fond memories that we have shared in my heart my dear friend. May God Bless You and your family.##imported-begin##Debbie Ephrem##imported-end##

“ I learned a lesson today - I just heard of a good friend passing - one I should have stayed in contact with. We had shared good moments together when we worked together back in the 80's and early 90's. Too much time has passed and a good friend gone. I am glad I knew you - you played a role in shaping who I have become. Rest in peace good friend.##imported-begin##Jay Downs##imported-end##

“ I have just found out that Barry had passed away. I am very sad to hear this. Barry was a good man and was a good friend. I worked with him at East Roswell Park and he was a great boss. I went to a GA game with him and of course spent a lot of time together at the Park. I hope you see though it is 3 years later but I had to tell you what he meant to me even though we have not seen each other in 15 years. The last time I talked to him was 2005.##imported-begin##todd nunnally##imported-end##

“ To Mark and the rest of the DuPree family

*You are all in my thoughts and prayers. The DuPree family holds a special place in the hearts of the McAbee family. Growing up as neighbors and getting to know your entire family was a blessing. I miss all of them and Barry will be greatly missed too. I am going to miss running into him at the grocery store and him flashing me that "big-ole" grin of his, but now he will be flashing it at Mama instead of me.*

*With love,*

“ *I am so glad that I had the pleasure of meeting and working with  
Barry. There are few true southern gentlemen in this world, but that  
is the best description one could give of Barry. I am so thankful that  
our paths crossed in this life. Rest in painless peace, Barry.  
My prayers are with the Dupree family.##imported-begin##Martha
