“ Dana, I was so sorry to hear about Barry. I wish we had all spent more time together. I was in the hospital when I learned of his passing. Rob and I had talked a lot about us all getting together recently and now it is too late..

“ We had more than our fair share of laughs over the years. I'm grateful for the time we spent together and for the friendship that came from it. The influence you had on Jody is something I could never have given him on my own. Each time we spoke it was like no time had passed... I hope that's how it will be when I see you next.

“ Barry is my cousin. He was more than just that. He was a great ballplayer. He was a great friend to those who knew him. He loved life. Barry also had a tremendous heart. We played a lot of softball together. Being around him and Buddy together was always a fun experience. I cherish those memories and I will reflect on them with a smile. Barry will now get to be with his mom, my Aunt Hazel, once again. I will miss you always and love you forever. I hope you and Buddy can throw the ball around up there in Heaven. Love you, Barry. #7.

“ Hazel, Dana and family, it has been a while since our paths have crossed. Since Barry and Anthony were the same age, I have some good memories of their school days. Praying for God's comfort and peace as you face this difficult time.

“ I worked with Barry at the prison and spent a lot of my off time with him. Many nights spent playing cards (casino) to be exact. He was a great guy with a lot of heart. He will be missed. Til we meet again my friend.... Robert Lee Giles St.
