Last time I seen Becky was at the Dr office. She told me about her having Cancer and how far it had gotten already. She was in sooooo much pain ! It teared me up just hearing her say how sick she had gotten. Becky and I grew up around each other . My dad and her dad were friends and we always went to her Uncle Earls to shell peas and stuff when we were little. Becky was such a sweet person. If she seen me she would go out of her way to speak to me. It was way to early for us to loose her like this! I know shes in heaven now. There's no where else for people like her to go. She was one of a kind and well liked by all. I'll miss you Becky....R.I.P. girl ! You will always be remembered !!!!!!!
