“ Ms. Daniel,
I've thought of you so often through the years. I'm so sorry for your loss. I remember him fondly. While you are in town, please phone me. I would love to see you; you were such a wonderful mentor to me.
Mr. Daniel would have been proud to know that my son, Landon, graduated from the Citadel and is now a Navy Pilot. He recently returned from the Middle East. My cell number is 478 804 3390. Thank you for all the support you gave me all those years ago.

“ Dear Mildred, Melinda and Bruce and Family,
I am so sorry to hear about the death of Ben. I know how close all of your family is and how much love is in your family. I will be praying that your wonderful memories will soon take over for the grief that you are feeling right now. I am sorry that I could not be there to let you know my love and support for you in person but my husband was just discharged from hospital after by-pass surgery. Your family was always an inspiration to me during my years of working with Mildred. I will continue to pray for you all.
Love and Blessings,

“ I only knew Benny through his nephew and sister-in-law. I have heard Terry (Daniel) speak of him with such respect and love that I never doubted he was a special man.

I read Terry's words here and am moved.

We should all leave the legacy behind for those who love us that Benny Daniel left with him family. Truly loved. A good man, in the best sense of the word.

May the light of his love forever shine on all of you till your light becomes one with his in Heaven.##imported-begin##Dianne Parker##imported-end##

“ Melida, Howard, Ben, Mrs. Daniel & Family,
We were so sad to hear about Mr. Daniel yesterday. Your loss saddens me because I know that you all had a relationship that many families never experience. This is good because I know the fond memories you have will help bring you comfort in the days to come & sad because I know that you will miss him immensely. And Ben, I will never forget the sparkle that was in Mr. Daniel's eyes & the smile on his face at the mention of your name. You were so special to him as I am sure you know very well. I hope to see you all soon. You all are in our thoughts & prayers! We love ya'!!

“ To: Aunt Millie, Melinda & Howard, Bruce & Shari, and Ben. ----
You EACH were Uncle Benny's Life. He loved you SO much. He
was Blessed to have had a taste of Heaven here on earth, with such
a great family.----
Aunt Millie, words can NEVER express the "Angel" you were for him
for 50 years. We love you SO much.
Melinda & Howard, Bruce and Shari, and Ben, You were GREAT.
He was SO proud of EACH of you.----
Uncle Benny reminded me so much of Granddaddy. Both loved The
Lord, their families, and their country. I can't remember a time in the
last dozen years, of being around Uncle Benny, that he didn't talk
about EACH.----
God Bless EACH of you for being Uncle Benny's EVERY THING.
We will ALWAYS Love you.##imported-begin##Terry & Susan

“ *When I held your hand and kissed your head, I told you I would see you later. You have meant the world to me throughout my life. I'm SO glad I had the chance to sit and tell you just what you meant to me, and how much I loved you, many times during the last few years.*

My Hope and Prayer is to live long enough to be near the Man you were.

I will Forever Love you, and cherish our times on earth.

Just remember, as you move about in Heaven, to Look For Me,'cause I'm coming too.

This is for the GREATEST Uncle EVER:

Celebrating Your Life On This Side Of Heaven

*We celebrate today on this side of Heaven;
the life of a Husband, Father, Grandfather, Brother and Friend.
We are filled with joy in knowing that your life was complete;
your purpose was fulfilled and the Lord, for you, did send.*

*We shared with you that purpose throughout the years;
through hardships, joy, the every day, or occasional visit.
you touched each of us in a special way that only you could.
The memories that we will carry on, there certainly is no limit.*

*The fruits of your labor did not burn away when tested;
for they will show in the years to come through our lives.
You have shown us what's important that love never fails;
That God is faithful, He loves, and comfort He gives.*

*You will be missed, but only for a while.
We have joy in certainty to see you again,
when we meet you on that beautiful shore;
and hold your love dearly until then.*
