“ Benny and I rented a trailer together in the mid 70's. One night when we got there, it was gone. All our clothes, everything gone. We finally reached our landlord who said he sold the trailer. We had no way of contacting the new owner, nor did we know who bought it. Later our landlord made contact with us and we found where the trailer was. We went there in the middle of the night, with candles for light. Lol. We got our stuff and left early the next day and moved to the lake. Remember, there were no cell phones back then. Funny as I look back on it now. We laughed about that for years. RIP Benny.

“ Rest in peace, my friend. You were very much a one-of-a-kind fellow, in school and later in life when our paths crossed again!! My heartfelt condolences to Benny's family during this time. I pray the Lord blesses each of them with the serenity that comes along with the special memories they hold dear in their hearts. Jeane & family, please let us know if there's anything we can do. Oh behalf of the Brooks Family, Robin Brooks.

I haven't seen Benny in years even though he was my cousin. It's been 35 years since I left Milledgeville and seldom get back to visit some friends. I found Benny on Facebook last year and have been talking to him a lot. He gave me directions to his house about four months ago when I was there but I never could find his house and lost his phone number. Benny lived life on his terms and would never apologize for that. I loved him for that. May God take him home now to be with his mom and dad and all the other family members that have gone ahead. He will be missed. RIP cousin.
