“ I worked with Buck at Engelhard. He was one of a kind. When he was around, he kept people laughing. I also went to church and attended Bible study with Buck. So sorry to hear of his passing.

“ Buck, I wished that you knew how much you were cared for. You brought laughter to any situation at work to lessen the stress. I regret that I never told you this. To the children, I want you to know that your daddy loved you. May the Lord comfort you.
