“ *Bobby, Martha, Clifford and Jerry, I always remember Bernice being in my life. We (cousins) always did many fun things as children and even as an adult Bernice has been in my life. From family reunions to going out to lunch with Martha and Bernice. I remember going to the M&T drive in and watching movies and eating popcorn together. As kids,I remember spend the nights with Martha and having hot dogs and chili for supper. Home made Brunswick stew and cookouts. Special memories that I cherish! My thoughts and prayers are with you and know I am here if you need someone to talk to. Love you all!*

*You will be so missed Mamie! I have so many memories with you! She was everybody's go to person! If anybody hurt her kids/grandkids/great grandkids she would not hesitate to take up for us whether we were right or wrong and never hesitated to speak her mind. All our friends growing up called her Mamie or granny and Had at least one meal at her table. I hope I have half of the strength this lady had in her.. until I see you again . I love you!❤️*
