“ Mrs. Bertoli (which in the beginning we knew her as Mrs. Bray) was my health occupation teacher in high school. I remember when her and Mr. Bertoli first started dating the class including myself would pick on her about " dating". She was a wonderful lady whom i highly respected. I am so sorry to the family . GOD truly gained an angel

“ *Berta & family, it was with sadness that I learned of the passing of Betty. She was my supervisor in home health care in Macon, & I learned so much from her. Through the years, we were able to keep in touch. It is with deep regret that I wasn't able to see Betty before she died.*

Whenever I must bid farewell to one I've treasured, I hold on to the fact that one day we'll reunite again. It's because of the promise of eternal life.

*My thoughts & prayers are with you all.

“ I am in my 23rd year of nursing. It is a calling as they say, but the seed and love of the loving care of patients was planted by ,then Mrs. Bray, when I was a student at Baldwin High School and chose to take Health Occupations on a whim. That whim turned in a desire to make a difference for sick, injured and convalescent people. So, I guess you could say that Mrs. Bertoli made me what I am today and I know there are many others that she touched during her life that that same ambition was planted and grew to fruition. Thank you Mrs. Bertoli for making a difference in so many of our lives. You will truly be missed!

“ Betty (and her late husband, Rich Bertoli) were my "host Mom & Dad" in 1990/91 when I studied at Georgia College as a young Georgia Rotary Student Program student from England. I have very fond memories of my time spent with Betty and Rich, who welcomed me into their home and gave me the support and the family-away-from-home that I needed. My parents visited with them during that year and also became family friends, keeping in touch every year since 1990. Over the years, I kept in touch with Betty and returned to Georgia on a couple of occasions to visit with her and Rich. I now live in California with my wife and my own children and, in December 2018, we were able to visit Milledgeville and spend some time with Betty and her sisters Rosa and Berta. It was so lovely to see her again, to share stories of our life in England and California and to reminisce over my many happy memories from my time with Betty and Rich when I lived in Milledgeville. I am truly thankful for that time I had with Betty in 2018. Sending warm thoughts and prayers to Betty's entire family at this time and remembering the warm, loving and caring person that Betty was. May she find eternal peace

"My Journey's Just Begun"

*Don't think of me as gone away
My journey's just begun
Life holds so many facets
This earth is but one*

*Just think of me as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years*

*Think of how I must be wishing
That you could know today
How nothing but your sadness*

Can really go away

*And think of me as living
In the hearts of those I touched
For nothing loved is ever lost
And I know I was loved so much*
