“ *When I was a little girl, Mrs Betty would take me and my sister, Alice, and all of her girls to the movies every so often. Then also my Mom would do the same. I have so many sweet memories of her. They had a siamese cat named AnnSueton, and I felt so honored to petsit when they were going on vacation. I loved her very much, she always treated me just so sweetly.*

If I can add to my memory, I can remember some of the movies we went to see. We saw The Aristocats, The Ten Commandments (when it was first released), Love Story, Song of the South, (the ZippedeedoDah story), Like i said, sometimes my Mom took us, and sometimes Mrs Betty.

“ *So sorry to hear about the passing of Mrs. Betty , She was a very special lady and special friend, I got to know her as I was her hair stylist for many years. She will surely be missed by me and many others. She was always so loving and kind to everyone, and touched the heart of everyone she came in contact with . Heaven has truly gained a very special lady who loved the Lord with all her heart .*
