Not many are lucky enough to experience the love of a grandparent much less a great grandmother or a great great grandparent. But our family is blessed to have loved and be loved by Betty/MawMaw. She had the gentlest soul. She loved so fiercely and unconditionally that you felt like the most important person in the world. She was the happiest when she was around her family. She loved rocking babies on Sunday mornings in the church and she loved planting in her gardens.

In lieu of flowers the family request memorial contributions be made to Crossroads Baptist Church, 106 S Wesley Chapel Road, Eatonton, GA 31024.

“ Corley family my thoughts and prayers are with each of you. Please give Mr. Corley a big hug for me. Skipper House's Lake Buddies (grandchildren) were so blessed to have ya'll as our lake neighbors. We cherish the memories! Sweet, quiet Mrs. Betty was so generous to share Mr. Fred with all the children. All of us learned to ski because of him and the many hours he pulled us around ski island. First, with 2 John and then with the big ski boat. Oh, the countless wonderful memories we made! May God comfort each of you in this time of loss.
