“ Will & Forrest -- So sorry to hear about your grandmother. She never seemed to be bothered by whatever we were up to, even if that included almost setting a tree on fire with our campfire or setting up the world's longest slip & slide that went from her backyard into the next. And, she's the only grandmother I know who drove a Monte Carlo SS!

“ Betty Holsenbeck was one of a kind. She was 30 when I was born. My Mom and she were first cousins. She was beautiful. Drove a Cadillac. She was pure class.

She was my second cousin and I always thought she was the greatest.

I know she is in Heaven laughing again at Uncle Dick's stories. She was an incredible lady.
