“ I remember going fishing at the lake lot with Mama and Betty. When those two got together it was fun. Lots of laughs, good times and good food. My STEP Dad Ralph Brantley and Arnold would talk about trucks and work while the ladies fished and listened to all Betty's stories. You will be missed. Praying for Tracy and Donny and family.

“ Donny & Pam and Tracy and Teri Ann,

*We have so many memories of happy times with family over the years and have always enjoyed seeing everyone when we come down to Georgia! We're so glad we got to come down and visit Aunt Betty in South Georgia last week and wish we could be with you all today. We'll be zooming in for the services today because we have snow covering the roads here, and schools have been closed all week so far due to the weather.*

*We believe Uncle Arnold and Aunt Betty are together in Heaven now, and our other departed loved ones are also with them.*

*Love,  
Dennis and Faye*
