She is going to be missed by many, but she is at peace and in a better place. I loved her dearly such a sweet lady. Linda Poss*

Betty was the best sister in the world. I thank God for allowing me to have her as my sister. She was always there for us when we were growing up and after we were grown with families of our own she was there for us. There will never be another precious woman like her! You are well now and you are not sick and I will miss you forever until we meet again in Heaven!!
