“ I will always remember your mother with the most wonderful memories. She was always so sweet and kind when we saw her through the years. She loved her family and all of their friends with an abundance of joy and happiness. I was blessed to have known her. Sending you all my love and prayers.

“ Charles and family;
Your mother was so beautiful! She was always smiling and so kind. I never saw her and her sister shopping that they weren't laughing and enjoying themselves. Two southern ladies that were so dressed with perfect hair and make up
They were both so adorable. It made me wish I had a sister. She was an example of what a mother and southern lady should be.
Andy and I are praying for you and your family during this sad time.
She was so proud of you Charles!
