“ To the entire family of Beverly, our prayers have been with you and will continue be with you all. Growing up in Coopers, going to Cooperville Church, with Beverly and entire Minter family was a blessing and made many memories. She always was smiling, laughing and had that light in her that shined. Didn't get to see her later in life but when I did she still smiled and we talked like we saw each other everyday. Matthew 5 vs.16 "Let your light so shine before men, that they may see your good works and glorify your Father in heaven." Denise (Connell) and Eddie Renfroe

“ I always used to have so much fun with nanny when she took me out for my birthday. She always made sure she spent that special time with each and every one of her grandchildren and great grandchildren. She even kept a record book of what she did with each grandchild/great grandchild so she would never be forget. I couldn't have asked for a better grandma because she was the best. I hope to follow in the foot steps of this amazing woman one day. 😊❤️
