“ I can remember first meeting "Bob" as a child when him and his wife "Lina" ran the gas station off Irwinton Road right above where we lived in Milledgeville. Amy was very small at the time and she would be in the store some days with her parents. Bob and Lina were amazing humans! They made you feel some welcomed into their establishment, but Bob wasn't afraid to tell you about your business either. Amy and family you are in my thoughts and prayers. He was a wonderful man and ill hold those memories close to my heart forever.

Treasure those wonderful stories and tell them again and again to your baby. We are family and here for you. Mr. Bob was about family and friends, and we will think of him with much love and laughter. Patrick, Pam, and Rachel

“ *Mr. Bob was not only a neighbor but was a friend for a long time. Thoughts and prayers are with the family. I became friends with this family through his daughter Amy as a young girl and grew to love her throughout the years and have thought of her as “my granddaughter”. My hope is that she and Lina & the entire family will rely on their precious memories to help fill the void left in their lives through the loss of Mr. Bob. Always in my heart, Doris Daniel (Nana)*
