“ I am so sorry to hear of this sad news. He was a great person with a great personality. I always loved smoke breaks at Green Acres as I knew he was going to have me laughing. I enjoyed being around him and talking with him and just spending g time with him. He was one of my favorites there. I miss him and I know y'all do to. Thank you for your service Mr. Blake. You was a great resident and friend to me. You will be greatly missed.
