“ *I was saddened very deeply when I heard of Mr Ely passing. I was a student of his at Athens Tech and grew very fond of him while I was there. There were many times that he and I would be the only ones in the class room and we would talk for hours. He would tell me about his friends and family and where he had lived and worked over the years. He was one of the nicest people I have ever met and I never heard him talk bad about anyone. I worked on his jeep for him and helped him to make it road worthy. I hope he got to enjoy it. I will miss being able to call him or visit with him when I go to Milledgeville. My deepest sympathy to his family. He will be missed by everyone who new him.*

“ Prayers go out to the family of Bill Ely. Have many things in common, including military service. Bill never displayed a bad bone in his body & continually offered help to those in need. Four wheeler, yes we had one, Titan, golf cart, yes we were alike in many ways. The farm on 441 South was our usual meeting place but suspect we'll meet again behind those pearly gates, never to hurt again. Your the best Bill, RIP. My prayers to the family for peace and com.
